

Dear Sir or Madam:

Thank you for your interest in Sel de la Terre. We appreciate the opportunity to serve you. It is with great pleasure that we submit this overview about holding an event at our restaurant.

At Sel de la Terre we offer approachable and affordable Southern French cuisine in a comfortable environment. We provide knowledgeable and professional service to ensure that you will have the most enjoyable experience, no matter what style of event.

Our dining rooms were carefully designed to capture the look and feel of the traditional region of Provence and are punctuated with subtle nuances of the Mediterranean landscape. In conceptualizing our space we customized our private dining room with the flexibility to feature private events for brunch, lunch and dinner. Our private dining room seats 38 people comfortably but we will happily accommodate larger parties. Semi-Private dining options are also available.

Our experienced coordinators and staff will work with you each step of the way to ensure the experience for you and your guests is orchestrated professionally and flawlessly. Our management team is on hand at all times to provide you with constant attention and service.

Thank you for considering Sel de la Terre for your occasion. We look forward to working with you.

Warmest regards,

Kelly Early

MENU SELECTION

We are a product of our environment, and our cuisine is nurtured by New England. At Sel de la Terre, fresh local bounty is the motivation behind our creative yet rustic menu, as well as the influence of our approach to service. We are grounded with the intent to marry the technique of southern French cuisine with hearty local ingredients; in other words, one could say our philosophy is the “salt of the earth.” We will work with you to design the ideal menu for your event while incorporating this mentality.

The dinner selections change frequently, allowing us to present you and your guests with the freshest ingredients available and a focus on regional and artisanal products to create an unparalleled experience. We are happy to accommodate special requests, including specialty cakes or vegetarian options. Please be sure to inform us of any food allergy or special dietary needs.

WINE SELECTION

Sel de la Terre features an extensive selection of fine wines from around the world. The wine list is updated frequently and may change according to availability. We recommend you pre-select wines as early in the process as possible to ensure your requests can be fulfilled. We can provide you with suggestions and/or our sommeliers are available to assist you in making your selections. Wine pairings are also available to accompany your dining experience.
